## UNIVERSAL TV STAND FOR PULSE SOUNDBAR

The TS100 TV Stand for the PULSE SOUNDBAR is the ultimate space-saving solution to add the SOUNDBAR's high-res audio to your HD TV. Fit your TV to the top of the TS100 and then using the PULSE SOUNDBAR's supplied wall mount bracket, simply place the soundbar beneath the TV for a seamless, one-piece look.

Engineered from heavy-duty steel with a satin black finish to match your entertainment system, the TS100 combines your TV and PULSE SOUNDBAR into a single unit and allows you to discover a whole new world of sound. It's flexible enough to support screens up to 65" and is the best way to add the PULSE SOUNDBAR to your existing TV setup when wall-mounting is not an option. No drills, no mess, no holes in your wall – just precision alignment between your sound and your TV.
